今月ホストファミリーでどうちゃくした! (that's all for this month's report (Write clearly in black ink) at Japanese without google translate 🙏) I felt very welcome as soon as I met the family. They're really kind and supportive, and I am very grateful for everything they have done for me thus far. The youngest kids can get a bit clingy and loud, but they're also really cute, and help me interact with the family and Japanese language in a way I otherwise wouldn't, which I am also grateful for. I have also, so far, experienced so much good food, both from restaurants and the family themselves. There hasn't been a single meal I didn't like! We've also done some sightseeing and shopping together. They're a really fun family to be around overall, and I look forward to spending the year here!
